5. Instructions for the Preparation of Cost/Price Proposals

5.1 Cost/Price Proposals

Cost/Price proposals shall be sealed in a separate envelope from technical proposals, and shall be clearly labeled as "VOLUME II: COST/PRICE PROPOSAL – RFP Number and Title". For electronic submission through email, please mention the following in subject line "VOLUME II: COST/PRICE PROPOSAL – RFP Number and Title".

Descriptions for cost should include details of how those costs are comprised, including costs for labor, transportation, printing, communications, etc. Please be as specific as possible, and provide a budget narrative/separate budget template if necessary.

It is important to note that General Sales Tax on provision of Services is to be included on a separate line, if applicable. DAI will deduct the withholding tax as per applicable rules and laws of Pakistan. The Bidder is responsible for all applicable taxes and fees, as prescribed under the applicable laws for income, compensation, permits, licenses, and other taxes and fees due as required.

5.2 Financial Proposal Evaluation

- 1) Financial Proposal evaluation will be conducted by DAI. The Price evaluation will include all labor costs, transportation, lodging, duties, taxes and all other relevant expenses required to perform the Scope of Work.
 - o In cases of discrepancy between the cost/price quoted in Words and in Figures, the lower of the two will be considered.

- 2) DAI will not be responsible for any erroneous calculation of tax rates or any subsequent changes in rates or structure of applicable taxes. All differences arising out as above shall be fully borne by the Successful Bidder.

In addition, Bidders are expected to include the expenses for logistics i.e. accommodation, transportation and other related expenses in the Financial Proposal.

6. Basis of Award

6.1 Best Value Determination

DAI will review all proposals, and make an award based on the technical and cost evaluation criteria stated above, and select the Bidder whose proposal provides the best value to DAI. DAI may also exclude an offer from consideration if it determines that a Bidder is "not responsible", i.e., that it does not have the management and financial capabilities required to perform the work required.

Evaluation points will not be awarded for cost. Cost will primarily be evaluated for realism and reasonableness. DAI may award to a higher priced Bidder if a determination is made that the higher technical evaluation of that Bidder merits the additional cost/price.

DAI may award to a Bidder without discussions. Therefore the initial offer **must contain the Bidder's best price and technical terms.**

6.2 Responsibility Determination

DAI will not enter into any type of agreement with a Bidder prior to ensuring the Bidder's responsibility. When assessing a Bidder's responsibility, the following factors are taken into consideration:

- 1) Provide copies of the required business licenses to operate in the host country (Pakistan) including company registration with relevant authorities, Income/Sales tax registrations with valid FBR certificates.
- 2) The source, origin and nationality of the products or services are not from a Prohibited Country (explained below at **Section 9.2**).
- 3) Complete profile of the organization.
- 4) Having adequate financial resources to finance and perform the work or deliver services or the ability to obtain financial resources without receiving advance funds from DAI.
- 5) Ability to comply with required or proposed delivery or performance schedules.
- 6) Have a satisfactory past performance record, evidence of services completion note of similar nature assignment preferably under USAID funded projects.
- 7) Have a satisfactory record of integrity and business ethics.
- 8) Have the necessary organization, experience, accounting and operational controls and technical skills.
- 9) Submission of undertaking that the firm is not blacklisted by any of Provincial or Federal Government Department, Agency, Organization or autonomous body or Private in full compliance of the execution schedule and delivery period mentioned in proposal document.
- 10) Be qualified and eligible to perform work under applicable laws and regulations.

Note: Verifiable documentary proof for all above requirements and criteria points are mandatory requirement and marks will be awarded on the basis of these verifiable proofs.

9. Compliance with Terms and Conditions

9.1 General Terms and Conditions

Bidders agree to comply with the general terms and conditions for an award resulting from this RFP. The selected Bidder shall comply with all Representations and Certifications of Compliance listed in Attachment E.

9.2 Source and Nationality

Under the authorized geographic code for its contract DAI may only procure services from the following countries.

Geographic Code 937: Goods and services from the United States, the cooperating country, and "Developing Countries" other than "Advanced Developing Countries: excluding prohibited countries. A list of the "Developing Countries" as well as "Advanced Developing Countries" can be found at: <https://www.usaid.gov/sites/default/files/documents/1876/310maa.pdf> and <https://www.usaid.gov/sites/default/files/documents/1876/310mab.pdf> respectively.

DAI must verify the source and nationality of goods and services and ensure (to the fullest extent possible) that DAI does not procure any goods or services from prohibited countries listed by the Office of Foreign Assets Control (OFAC) as sanctioned countries. OFAC sanctioned countries may be searched within the System for Award Management (SAM) at www.SAM.gov. The current list of countries under comprehensive sanctions include: **Cuba, Iran, North Korea, Sudan, and Syria**. Goods may not transit through or be assembled in comprehensive sanctioned origin or nationality countries nor can the vendor be owned or controlled by a prohibited country. DAI is prohibited from facilitating any transaction by a third party if that transaction would be prohibited if performed by DAI.

By submitting a proposal in response to this RFP, Bidders confirm that they are not violating the Source and Nationality requirements of the goods or services being offered and that the goods and services comply with the Geographic Code and the exclusions for prohibited countries outlined above.

9.3 Data Universal Numbering System (DUNS)

There is a **mandatory** requirement for your organization to provide a DUNS number to DAI. The Data Universal Numbering System is a system developed and regulated by Dun & Bradstreet (D&B) that assigns a unique numeric identifier, referred to as a "DUNS number" to a single business entity. Without a DUNS number, DAI cannot deem a Bidder "responsible" to conduct business with and therefore, DAI will not enter into a subcontract/purchase order or monetary agreement with any organization. The

determination of a successful Bidder/applicant resulting from this RFP/RFQ/RFA is contingent upon the winner providing a DUNS number to DAI. Bidders who fail to provide a DUNS number will not receive an award and DAI will select an alternate Bidder.

All U.S. and foreign organizations which receive first-tier subcontracts/ purchase orders with a value of **US\$30,000** and above **are required** to obtain a DUNS number prior to signing of the agreement. Organizations are exempt from this requirement if the gross income received from all sources in the previous tax year was under \$300,000. DAI requires that Bidders sign the self-certification statement if the Bidder claims exemption for this reason.

For those required to obtain a DUNS number, please email KPGQueries@dai.com for **“Instructions for Obtaining a DUNS Number - DAI’S Vendors, Subcontractors.”**

For those not required to obtain a DUNS number, please email KPGQueries@dai.com for the **“Self Certification for Exemption from DUNS Requirement”** form.

9.4 Mandatory Vetting

Pursuant to AIDAR 752.204-71, all recipients of DAI Pakistan awards above **US\$25,000** must comply with vetting requirements of all key individuals under the given award. No cash or in-kind disbursements will be provided until the recipient organization and all key individual(s) under the organization have passed vetting. The purpose of vetting is to mitigate the risk that USAID funds and other resources do not, even inadvertently provide support or benefit individual or entities that are terrorists, supporters of terrorists or affiliated with terrorists. **The selected vendor will provide information and documents for Partner Identification Form (PIF); Scan copies of the registration of business, form-A/Form-29/Partnership deed etc. (whichever is applicable based on business registration) and scan copies of CNIC/Passport of Key individuals.**

10. Procurement Ethics

Neither payment nor preference shall be made by either the Bidder, or by any DAI staff, in an attempt to affect the results of the award. DAI treats all reports of possible fraud/abuse very seriously. Acts of fraud or corruption will not be tolerated, and DAI employees and/or subcontractors/grantees/vendors who engage in such activities will face serious consequences. Any such practice constitutes an unethical, illegal, and corrupt practice and either the Bidder or the DAI staff may report violations to the **Toll-Free Ethics and Compliance Anonymous Hotline at +1 855-603-6987, via the DAI website, or via email to ethics@dai.com**. DAI ensures anonymity and an unbiased, serious review and treatment of the information provided. Such practice may result in the cancellation of the procurement and disqualification of the Bidder’s participation in this, and future, procurements. Violators will be reported to USAID, and as a result, may be reported to the U.S. Department of Justice to be included in a Restricted Parties list, preventing them from participating in future U.S. Government business.

USAID/Pakistan has, in cooperation with the USAID Office of Inspector General, established the Anti-Fraud Hotline to provide an avenue for the reporting of fraud, waste, and abuse which may be associated with USAID funded projects in Pakistan. Complaints are handled with complete confidentiality and individuals are encouraged to report when corruption, fraud, waste or abuse may exist in the USAID/Pakistan projects. **Reports can be filed anonymously via the easy-to-use Hotline (toll free number 0800 84700); e-mail at complaints@anti-fraudhotline.com ; fax at 021-35390410; postal address at 5-C, 2nd Floor Khayban-e-Ittehad, Phase VII, DHA, Karachi, Pakistan; and on the website www.anti-fraudhotline.com.”**

Bidders must provide full, accurate and complete information in response to this solicitation. The penalty for materially false responses is prescribed in Section 1001 of Title 18 of the United States Code.

In addition, DAI takes the payment of USAID funds to pay Terrorists, or groups supporting Terrorists, or other parties in exchange for protection very seriously. Should the Terrorist, groups or other parties attempt to extort/demand payment from your organization you are asked to immediately report the incident to DAI’s Ethics and Compliance Anonymous Hotline at the contacts described in this clause.

By submitting a Bidder, Bidders certify that they have not/will not attempt to bribe or make any payments to DAI employees in return for preference, nor have any payments with Terrorists, or groups supporting Terrorists, been attempted.
